

ENDLESS GLOSSY

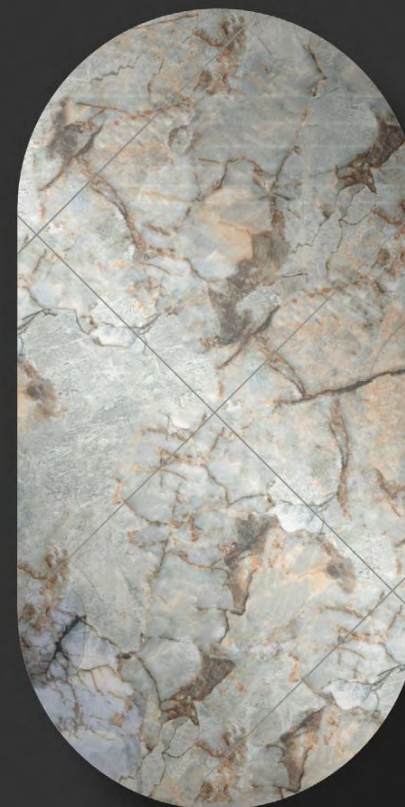

600x1200mm

600 x 1200 mm

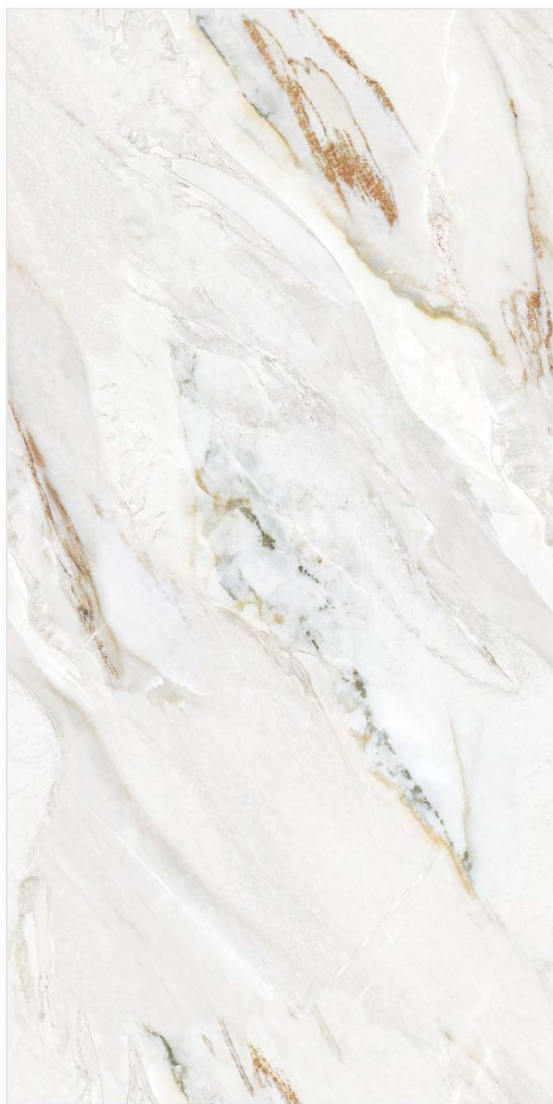

Endless & Random

THE EVOLUTION OF MARBLE BEGINS WITH ENDLESS.

Endless represents the marble trend that has come to stay as one of the pillars of decoration in recent years. The great growth of ceramic marbles also shows how much they have evolved and how they continue to be one of the all-time favourites for interior design and architecture projects.
